

Rental Opportunities...

The City of Winter Haven has numerous facility rental opportunities. Whether you are having a company gathering, training session, family reunion, wedding reception, birthday party or sporting event, we have a space for you.

In addition to the room, the City can provide tables, chairs, podiums and audio/visual equipment. Dedicated staff will help you determine what facility and/or room works best for your event. We will even help you remember those little items that always seem to slip through the cracks. Let us help make your next event a success. For more information on renting a City of Winter Haven facility, please contact the Leisure Services Division at 291-5656.
